

IKF's Workshop FAQs

What is Workshop?

Workshop is an exclusive event where technical assessment of players takes place by Premier League Academy Scouts and in-depth analysis by PFSA certified scouts where each player receives a unique MI-TAS report of global standard. Additionally exceptional players are showcased to international academy partners who will give 100% scholarship.

Who should attend the workshop?

- Players born between & including 2006 to 2013 born boys & girls
- Players who have decided to become professional football & wishes to know where they stand
- Players who want to explore to go abroad for football

When is this Workshop happening?

Workshop will happen in the month of September 2024 between 20 to 29 September. Calendar is:

- Bangalore: 20, 21 & 22 September
- Mumbai: 24, 25 & 26 September
- Delhi: 27, 28 & 29 September

Who can participate in this Workshop (Both Boys & Girls)?

- This workshop is for players born in 2006 to 2013.
- Yes, both boys & girls can participate.
- Since this is a technical assessment and not tournament girls will play with/against boys.

Which all cities' workshops are being conducted?

Delhi, Bangalore & Mumbai.

Can players from other cities attend workshop?

Yes, players from any part of the world can attend workshop in city of their choice (Mumbai/Delhi/Bangalore).

Can Girls also attend the workshop?

Yes. Workshop is for girls as well. There won't be separate batch for girls, they will be assessed along with boys however consideration is given of gender.

Note: Players from other cities can register for this Workshop as well.

What will be the takeaways from this Workshop?

- Technical Assessment Report will be shared with all the players. The report will be according to the player's position & contain his ratings which will be given by a PFSA-certified scout & PL Academy scouts.
- Assessment & Feedback by Premier League Scouts.
- Counselling session by Premier League Scout and Agent.
- Chance to win 100% scholarship in 5+ partner academies in Europe.
- IKF will scout players for direct entry into the IKF Zonal finals.

Is scholarship guaranteed?

Scholarship is NOT guaranteed. Best players from workshops will be showcased to all international academy partners. They decide if they wish to bring any player to their country for trials on scholarship.

How many of workshop players got scholarships earlier?

6 players from workshops have earned 100% scholarship from previous workshops. Their details can be seen on the workshop page.

What does 100% scholarship mean?

It means that you won't have to spend anything in their country. Everything will be taken care of by the academy. It means visa & flight has to be taken care by the player.

What is the duration of scholarship?

It varies from academy to academy. However, on an average they take the player for 2 to 4 weeks.

What will happen during the Workshop?

Segregation (Players will segregated/divided on the following basis):

- Age
- Position wise

Drills & Fitness:

- To assess basics and fitness

Matches (After drills are completed, players will be divided into teams & matches will start):

- To assess basics, game intelligence and fitness (Players will assessed on 4 parameters – Tactical, Technical, Physical & Social)

Feedback (After the matches are finished the players will get their on-ground performance assessment from the scouts in terms of Strengths & weaknesses and all the players will receive a 4 corner technical assessment report prepared by a PFSA certified scout on their Whatsapp no):

- By Premier league scouts
- During the session & post session as well

What is the duration of Workshop?

It will be a half day workshop (4-5 hours). We divide the participants based on their year of birth and then batches are called on a particular day for 4-5 hours.

What are the fees for workshop?

Workshop fees is ₹5000 + GST.
